Dear Mr Glassey

Re: Arab Education Summit, Amman, Jordan 6-8 May 2013

I kindly refer to your E.mail dated 16th Feb.2013 regarding the need to move the dates of "The Arab Education Summit" to 6-8 May 2013, due to logistical reasons in Amman.

The Ministry of Education confirms our full patronage of the summit and our cooperation to ensure the participation of Ministers and Officials from across the Arab World.

In this regard I would like to inform you that H.E the Minister finds the new dates convenient, and he kindly requests that you may go ahead with arrangements accordingly. H.E. and he will be glad to meet you upon your arrival to Jordan.

With my best regards and thanks.

Minister of Education
